

Albrecht CB radio VOX microphone with ANC (Noise Cancellation)

**Hands-free
communication
with any
CB radio**

These microphones offer the perfect solution for a hands-free communication in vehicles.

The microphones can be used with almost all CB radios in the market. The integrated active noise cancellation function filters annoying background noises and offers a very clear voice transmission. The integrated battery has an operation time of approx. 60 hours and can also be used during the charging process.

Specifications:

- ▶ For hands-free communication in vehicles
- ▶ Active noise cancellation filters annoying background noises
- ▶ VOX sensitivity adjustable in 4 levels
- ▶ VOX delay adjustable in 4 steps
- ▶ Impedance: 4.7 K ohm
- ▶ Sensitivity: -58 db
- ▶ Up / Down buttons

The versions with battery also offer:

- ▶ Integrated battery 3000 mAh (rechargeable)
- ▶ Micro USB charging socket
